

# Action Plan Study Guide

Name:

Action plan I: Reading Instruction

## Findings

- X Test scores: Although scores were above national averages (50<sup>th</sup> percentile) in all subject areas, reading scores were below the 60<sup>th</sup> percentile in elementary grades
- Curriculum does not call for extended writing assignments until students are enrolled in 7<sup>th</sup> grade classes

## Target

- Raise X Test scores to 70<sup>th</sup> percentile by 2014-15

## I. Commitments:

Teachers: Participate in planned professional development and curriculum revision; share resources; personalization techniques; study internal assessment and test scores to plan instruction.

Students: Communicate about challenges and ask questions.

Parents: Support students to get the support they need to master the standards; stay in touch with teachers.

Counselors: Review and revise, where necessary, placement guidelines

Management /Administration and Staff: Review and revise, where necessary, curriculum; select additional appropriate materials; revise internal assessments where necessary.

My specific actions and/or commitments:
